W.P. No.20544 of 2002

Heard Sri B.Srinivasa Rao, learned counsel for the petitioner and Sri Deepak Bhattacharjee, learned Standing Counsel for the fourth respondent University and the learned Government Pleader for Higher Education.

When the fourth respondent University did not permit the writ petitioner College to admit the students to the extent of intake capacity sanctioned to it by the first respondent during the academic year 2002-2003, the present writ petition has been instituted. Pursuant to the interim directions granted by this Court on 17.10.2002, the petitioner has been permitted to grant admission to the extent of the intake capacity sanctioned to it by the A.I.C.T.E. The learned counsel for the petitioner submits that from the subsequent academic year onwards, the writ petitioner College has been allowed to grant admission to the students to the extent of its intake capacity without any hindrance caused by the Osmania University.

In this view of the matter, the cause in the writ petition does not survive for any further adjudication. Hence, the writ petition is dismissed, but however, without costs.
